Military Training: Franchising is a natural transition for many veterans

In many ways, the military is one of the best franchise systems in the world. Men and women sign on, commit to being dedicated to a common cause, receive standardized training, and work within an established and proven system that gets results.

Smoke's Poutinerie on a Quest for GLOBAL DOMINATION!

Canadian entrepreneur Ryan Smolkin's master plan for Smoke's Poutinerie is as weird, wild, wacky, and seriously strategic as the original idea for his unique brand - and the creation of a whole new quick service food category - to bring loaded fries to the

masses through franchising.
